

Approved Projection Booth Cleaning Supplies

AMC ☒ AMC Classic ☒ AMC Dine In ☒

PURPOSE

This document outlines which approved cleaning supplies to order for common projection booth cleaning duties and any related areas in the auditoriums.

NOTES

- **Determine** the number of products on hand and the theatres' need.
- **Order** the products below through [Cinema Solutions](#).
- Product descriptions may differ slightly from what is listed on the Cinema Solutions website. If an item doesn't appear on the theatre's order guide, **complete** a 'Product Request' to have it added.
- **Follow** proper use, storage, and safety procedures with these products.
